

POETRY & PROSE

For Our Marriage

by James Richard Hansen, FSPE

for Kristen

When I think of you,
I think of all things beautiful,
all things warm,
all things good.
In our everlasting bond,
we glow with the colors of our love.
Our personal heaven
began years ago;
our future will be divine.
And if it rains,
there will be rainbows. Ω

Our Time

by James Richard Hansen, FSPE

for Kristen

In our world
of danger and light,
we have been richly blessed.
The sun has given us beautiful life;
the stars have stunned us
and made us aware;
we have been led to each other
by the moon;
the universe has welcomed us
into the realm of joy.

In the time we spend together,
nothing surpasses
the times we say, “I love you.”
