
I Haven't

by Hailong Hao, ASPE

I haven't listened to
the two CDs you gave me

I have an easy excuse:

No time

And an embroidered reason:

I'd like to save them
for the best time

But the truth is

I haven't listened to
the two CDs you gave me Ω

To You

by Hailong Hao, ASPE

You still didn't smile

Just said hello

Sat in front of the seat

I reserved for you

Buried your head in your hands

I have more than once

seen you like this

And used to think

I'd been like this too

Now I feel bad for you

Since you have long

taken it for granted Ω
